

Nomination Form for Tatanka District MULLET AWARD

In the Tatanka District, the “Mullet Award” is presented to those Scouters who continually say **YES** when asked to make a personal contribution of time and leadership to the Scouting Program within the District – that includes Pack, Troop, Crew, and District Activities. These people are of limitless help and value to the District because they help make the Scouting program work. They may work behind the scenes or may be a chairman of a committee or an event. They are often our unsung heroes and may go unrecognized for their outstanding efforts.
